

European Defence Challenge

2021

**Bring your assets together
to boost innovation**

Answer this question in 500-600 words:
"Which technologies and technology bricks are particularly relevant for Europe's sovereignty in defence and security?"

Participation Guidelines

On the basis of your proposal, the reader must be left in no doubt regarding the technologies and technology bricks you deem relevant for Europe's sovereignty in defense and security.

As this is a one-page proposal, describe your ideas **briefly**.

Present the **most pertinent points** from your pitch text so that the reader has an overview of your ideas.

Make sure every word counts. **Avoid repetition**.

If relevant, insert figures.

Avoid abbreviations and acronyms. If needed, provide their meanings.

If references are required, **add them at the end of the document**.

Please submit your proposal before midnight (CET) 30 January to the link you received, when you signed up.

If you have any questions please contact: challenge@assets-plus.eu
